"Loosing the Key of David an Inspirational Hit!"

Key of David Healing Ministries presents *Loosing the Key of David*. This 140 page "field guide" not only reveals to the reader areas of emotional and spiritual captivity, it provides them a practical and effective means to overcome these pitfalls through guided prayer. Covering a wide range of topics including: generational sin, soul ties, judgment, striving, self sabotage and more, this "spiritual survival guide" leads the reader from judgment through repentance and forgiveness to freedom.

Using the methods taught in this book author and Minister Stephen Fredericks has watched God transform hundreds of lives and literally "set captives free" for nearly a decade.

Readers give 5 out of 5 stars for *Loosing the Key of David* on Amazon.com and elsewhere. This is what readers are saying:

Amazingly Practical Spiritual Guide, February 6, 2009

"I'm caught on the horns of a dilemma: do I understate the impact this book has had on my life, or risk the credibility of my review by telling the truth...about how much I didn't know that I didn't know?"

Since we've read this, my wife and I have put the practical steps from Fredericks' manual to work in our lives and the results have been breathtaking. It's written as a practical guidebook--almost a spiritual survival guide--so don't expect a novel. But if you give this book a chance I am convinced you'll see the Holy Spirit release undreamed-of levels of freedom and grace into your life." --B. West

"I didn't know this kind of freedom existed! Thank you so much!" --Katherine

"...I can't even tell you how different I feel. It's like God has given me a clean slate. 'Thank you Lord for taking care of that!'" --Russell
