Blessings;

I am writing to introduce my new book "*Loosing the Key of David: A Field Guide to Inner Healing & Deliverance.*" This practical book not only introduces various topics within Inner Healing & Deliverance, it then provides questions allowing the reader to determine areas within themselves that need ministry and finally provides guided prayers to facilitate freedom in those areas.

My wife and I are very excited about what the Lord is doing in our ministry. Over the last eight years we have watched as hundreds of born again, Bible believing, Christians began to walk in a freedom they never knew existed. Set free by the power of the Holy Spirit and through confession, repentance and forgiveness. The principals we have had such amazing success with and have taught in seminars, workshops, and in our own school can now be found in this text.

## Loosing the Key of David: A Field Guide to Inner Healing & Deliverance By Stephen Fredericks

"When I grow up I'll NEVER..." We've all reacted this way to something when we were growing up, standing before our parents with fists balled and stamping our feet. But what are the effects of such a statement? What are the consequences? Can such a statement affect us in adulthood? The answer to these questions can be found within these pages.

"Loosing the Key of David" is a practical guide for those seeking healing themselves or seeking to set others free.

Freedom from:

- Generational Sins & Curses
- The Judgments and Vows we've made
- Shame, Blame & Guilt
- Patterns of Striving & Self Sabotage
- Word Curses Spoken by Others or Ourselves

★★★★★ **Amazingly Practical Spiritual Guide,**  
February 6, 2009 (on Amazon.com)

*I'm caught on the horns of a dilemma: do I understate the impact this book has had on my life, or risk the credibility of my review by telling the truth...about how much I didn't know that I didn't know?*

*Since we've read this, my wife and I have put the practical steps from Frederick's manual to work in our lives and the results have been breathtaking. It's written as a practical guidebook--almost a spiritual survival guide--so don't expect a novel. But if you give this book a chance I am convinced you'll see the Holy Spirit release undreamed-of levels of freedom and grace into your life.*
